

Plenty to see and do at Christmas fair

A HOME among the gum trees is the venue for the second annual Verissima House Christmas Fair, to be held on Sunday from 11am to 5pm.

Under shady trees at 16, Craig Street, Mundaring – just minutes from the town centre – visitors will find a colourful display of arts and crafts, jewellery, crystals, woodcraft, plants and many more gift items.

Also available will be massage, foot massage, pedicure, reflexology, beauty and Bowen treatments, vega testing, chakra balancing, and tarot and clairvoyant readings.

Vera Ross, designer of the Verissima Natural Skincare Range, will be on hand to advise on product selection.

Live entertainment by local musicians will add to the atmosphere, while there will be a sausage sizzle plus other food and juices available to buy.

Adults will be able to relax with cake, coffee and friends in the shady garden or relax with one of the alternative therapies on offer, while children can paint, potter and listen to stories.

There will be raffles and entry is free.
